The committee discussed the Daddy/Daughter Social and Tour Night. It was agreed that they were very successful events. Everyone commented on how much work Michela Hendrickson put into the Daddy/Daughter Social and how beautiful it turned out!

Mrs. Hanavan discussed the enrollment numbers with the committee. So far, there are **290 children registered**, which is ahead of this time last year. We also have higher enrollment in the middle school.

JD Walk-a-thon – the walk-a-thon for Juvenile Diabetes will be held on March 21st from 9-12 at the Folsom High School track. Children may “sell” shoes to raise money for JD. 10% of the money raised goes back to the school.

Open House – The Phoenix Open House will be held April 10. In addition to visiting classrooms, there will be a silent auction. Each class will present an auction item, the teachers are auctioning off themselves (for a “date” with the teacher or tutoring), businesses will be contacted to contribute items and parents are welcome to donate items for the auction. Proceeds will go toward an enhanced health curriculum that will be taught by the P.E. Teacher.

Science Fair – the Science Fair will be held April 20th from 5:30-7:00. The projects can be a “family” project, but entries are limited to the first 40 families to sign up from the K-4th grade classes. The cost is \$20 for instructions, a project board, participation certificate and 2 T-shirts (1 adult and 1 child). Additional T-shirts can be purchased for \$5 each. 1st, 2nd and 3rd prizes will be awarded in each grade. Packets will be available from March 16th through 26th. Mrs. Sudheimer is heading up the Science Fair.

Track and Field Day – sometime during the last week of school, there will be a Track and Field day to be held at the Livermore football field. Children will compete in various track and fun events. Lunch will be served. Parents are welcome to attend.

Advisory Committee – the next two meetings will be spent primarily discussing and calendaring the event schedule for next year. We would love to have everyone’s input!
