

May 2010

1st grade was a picnic!

As we begin our final month of school I reflect upon all that we have done this year and the progress we have made. Room 8 should be very proud of themselves! Be sure to take time this month to look

Math: In May we will finish the 2nd grade math book. I will send any pages we did not get to home for practice and review. Make sure to practice all this year's skills throughout the summer months. We don't want our brains to turn to mush!

Mrs. Castro's News

Social Studies

In May we will wrap up all our Social Study themes from the year and take some time discussing summer safety. Also we will spend time talking about our mothers and why the world wouldn't be the same without them.

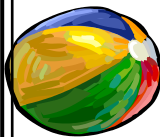

Important Dates

- May 7th– Final assembly
- May 7th– Mother's Day tea
- May 26th– School wide Track and Field day
- May 27th– Last Day of School
- May 28th, 31st, and June 1st– School Closed

Science

May is a wonderful time for science. We will finish discussing animals, plants, and how they need each other to survive!

Moms!

You are invited to our Mother's Day Tea Party!

It will be held on Friday, May 7th at 1:30 in room 8! See you there!

Reading... We will finish our current unit in reading on kindness. We have made quite the jump start on the 2nd grade program. There have been some wonderful stories we have worked on in class! Also keep an eye out for helpful summer study guides.

Life Skills for May are..

Courage and cooperation
