

## May Newsletter

I can't believe the whole year has gone by!! Their growth has been unbelievable! Think of last August, their first day entering kindergarten...and now look at them!! What a difference a year can make! I have enjoyed your children so much! I must thank you all for sharing them with me! Please watch the white board, and our door for any new items that may not be in this month's letter.

**Reading-** We will have finished unit 7 in our Open Court Reading and will begin Unit 8 which is called Games. Your children are all excellent readers! Please make sure they all continue reading this summer. They will just continue to blossom!

**Spelling-** We will have 2 final spelling games in May. We will have finished the whole spelling book by May 14<sup>th</sup>.

**Science-**We will learn about oceans and seashores and ponds.

**Social Studies-** We will go over safety rules, pertaining to street crossings, road signs, and bicycle safety. We actually were fortunate to have been able to go on our last field trip to Safety Ville as this field trip covered many of these items.
