

## October Newsletter from the Library

Dear Parents,

When October arrives our thoughts turn to harvest and autumn celebrations, when we think of pumpkin treats, apple cider, sweater weather and getting cozy with a good book.

In the library this month the K-2 students will be listening to stories with fall themes, folk tales, and stories to complement our current life skill. Third grade students and above are encouraged - to visit the library and check out books after school from 3:45 to 5pm.

This month we celebrate books with our Fall Book Fair. Our theme this fall is Destination Book Fair. Our fair will arrive on October 22, and begin with a Faculty Sneak Peak. We open to the public on Friday, October 23 at 7:30 am and close at 6pm. We will run from October 26-October 30 from 7:30-6pm. There will be special activities during this week: contests with prizes, Coffee and Donuts Morning, and some activities to be announced.

I am looking for parent and student volunteers (4<sup>th</sup> Grade and up please) to help me run the fair. If you are interested, please email me at [alitney@phoenixschools.com](mailto:alitney@phoenixschools.com). Interested students can contact me at the library.

Thank you,  
Ms. Ann Litney
