

Ms. Sudheimer's Newsletter

May 2010

Science

Our last chapter in science will be Unit F, Chapter 1. We will learn all about energy. We will also be attending State Scientist Day at the State Capital on Wednesday,

Life Skills
This month's life skills
are:
Patience and
Curiosity

Social Studies
For our final chapter of social studies we will learn about American heroes and symbols that represent our country. We are also doing a biography poster report and presentation on a famous American.

Important Dates

- May 4 - Science UNIT E test (chapter 1 & 2 combined)
- May 5- Spring Musical
- May 7 - Assembly
- May 10 - Social Studies Test, Chapter 10
- May 11 & 12- Math & Reading Proficiency Tests
- May 14 - Math Bowl
- May 19 - Field Trip
- May 20 - Science Test, Chapter F-1
- May 26 - Track and Field Day
- May 27 - Last Day of School

Stay Sharp Over Summer!

Teachers are commonly asked what students can do over the summer to be prepared for the next year. Here are some fun and easy suggestions:

- Read! Visit your public library, it's free and many offer summer reading programs.
- Make sure math facts are memorized, especially multiplication and division.
- Explore your community. Check out museums, living history exhibits, or hiking trails. Learn by doing!
 - Review workbooks - Costco, Target, and teacher supply stores often carry review workbooks.

Track and Field Day
Wednesday, May 26
This year Phoenix will have their First Annual Track and Field Day. All students will participate in fun track and field events at a school-wide end of the year celebration! More details to follow.

Watch Out Fourth Grade, Here We Come!

The end of the school year is here already! Our students have worked so hard and learned a lot. Thanks so much to all of the parents who have been so helpful in making this year a success! I truly appreciate all of your time and hard work! I hope all of you have a restful and fun summer.
