

Here we come 2nd grade! Thanks for a great year!

Social Studies

*This month we will wrap up our mapping unit
and finish the year with a unit on summer
safety!*

Successful Math!

In Math we will begin our final Chapter-It will include adding and subtracting groups of 10's, adding and subtracting 2 digit numbers and regrouping in addition and subtraction. We will continue to master our addition and subtraction facts.

Language Arts

We will be completing our Open Court 1st grade curriculum this first week of May and plan to jump right in to the 2nd grade curriculum! All of the students are proficient readers and becoming much more aware of writing mechanics and enjoying the creative part as well. Our last writing assignment-a persuasive letter to an animal about a home they had for sale was just fabulous!

Spelling: We've completed our spelling curriculum and will now focus on high frequency words and spelling rules.
