

## Reading & Language Arts

We will finish Unit 6—Our Country and its People. We will work on making inferences, words of request, supporting details, fact & opinion, and plagiarism. We will also continue reviewing past grammar lessons.

## Science

We will begin Unit F—Energy in Motion. We will learn about forces and measuring motion. We will also explore sounds and how they travel.

## Math

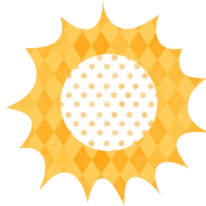

We will continue working out of the 3rd grade book! We will complete chapter 1—Place Value and Money.

# MS. WOODS' MAY NEWS

## Handwriting

We will continue working on upper case cursive focusing on G, S, J, Q, Z, D, J, X, and L

## Social Studies

We will continue Unit 5~ Many Special People. We will learn about people making decisions, everyday heroes, giants of science, and artists.
